

RE Coordinator Development Meetings

The support is available to ANY primary school or academy in Leicestershire and Leicester City.

Each term Leicester DBE runs a development meeting for RE subject co-ordinators who lead RE in community schools, academies, free schools and Church schools. These meetings seek to inform, support and inspire RE co-ordinators and are also open to those who teach but do not lead RE. Each meeting has a different focus but will give you access to an RE Adviser and expert from RE Today. The network meeting aims to give teachers confidence and will provide fully resourced ready-to-use practical classroom activities. These meetings are also supported and resourced by NATRE.

23rd January 2019, 9.30am – 12.30pm, Visits and visitors in RE: How, why and where

Come along to hear about local places of worship that will welcome visitors, you will learn about how the St Phillips Centre can support you. Share one another's experiences and challenges when arranging visitors and practical strategies to use before, on and after a visit. We will also discuss ways to make the best use of time with visitors in school. [CLICK HERE](#) to book.

"Another great morning buzzing with ideas and support. Thank you! Fiona is amazing!"

"A really useful morning. Some superb ideas & resources. Thank you"

22nd May 2019, 9.30am – 12.30pm, Earthy, Animal RE

This ideas session will present 8 ideas for working on topics about animals and the earth, including some outdoor RE ideas, which connect to different religions and enable pupils to think and learn creatively in RE.
