Word Aware: Teaching Vocabulary (Primary) – Monday 25th November 2019 at Danemill Primary School, Enderby

Word Aware is a structured whole school approach to promote the vocabulary development of all children. Focused on whole class learning, the approach is of particular value for those who start at a disadvantage - including children with Special Educational Needs and those who speak English as an additional language. This approach is full of practical and inspiring ideas that can be easily applied by busy classroom practitioners to develop both spoken and written vocabulary. £100 per delegate (incl book), £65 (without book - must bring own copy) price includes lunch and refreshments.

Mentally Healthy School Programme – Tuesday 26th November (session 1 of 3) at Braunstone Community Primary School

A mentally healthy school is one that adopts a whole-school approach to mental health and wellbeing. It is a school that helps children flourish, learn and succeed by providing opportunities for them, and the adults around them, to develop the strengths and coping skills that underpin resilience. A mentally healthy school sees positive mental health and wellbeing as fundamental to its values, mission and culture. It is a school where child, staff and parent/carer mental health and wellbeing is seen as 'everybody's business'.
