

# Leicestershire Leaders

A collaborative of headteachers and system leaders across Leicestershire and Leicester City to provide additional support and training opportunities for new and existing headteachers and to signpost those provided by existing organisations.

Providing opportunities and networking to those in a highly accountable, challenging and possibly isolated role, to collaboratively improve the experiences of pupils and staff across Leicestershire by helping to support and enable the performance and wellbeing of Leicestershire Leaders.

**Web portal**, funded by Leicestershire Education Excellence Partnership, currently being developed to signpost all useful and relevant training and support opportunities for current and new headteachers across Leicestershire and the local area, to be in place by September 2019.

**Six dedicated best practice workshops** based on priorities identified by current serving Leicestershire primary and secondary headteachers, to run from June 2019, open to all current and newly appointed headteachers across the local area. **Sharing best practice from current heads, MAT and Teaching School leaders and relevant local authority and other public service expertise.**
