

Education Performance Team Events: 2019 Autumn Term Annual Workshop's series (These events are free)

Event 1: Service introductory event

Target audience: New members of staff and those members of staff wishing to refresh their knowledge of the service support available.

This event will focus on the data analysis and data collection support you get by subscribing to the Education Performance Team's support, and will keep you up to date with our latest developments.

Workshop content:

1. Overview of LIAISEv3

A step-by-step guide to how you can use this market leading software to support your school improvement and planning activities, including:

- The data available to you
- Finding the right report
- How to download reports
- Viewing different pupil groups
- Subjects level analysis
- Interacting with the data

2. Overview of Perspective Lite

Understanding how Perspective Lite can be used effectively to provide additional data analysis and support the data collection quality assurance processes.

3. Overview of data collection support

Learn about the collections supported and what support is provided

Booking details:

- Two places allocated per school (additional places can be requested).
- Booking will be on-line this year. Book your place at [LTS Online](#)

| Venues, Dates and Times | | School Phase |
|--|----------------|--------------|
| Wednesday 18 September 2019 – NSPCC Training Centre, Beaumont Leys | 9:30am - 12:00 | Primary |
| Thursday 19 September 2019 – NSPCC Training Centre, Beaumont Leys | 9:30am - 12:00 | Secondary |

Future event: Event 2, the second and final event we have planned in this series, which will be later in the Autumn Term, will be aimed at using the LIAISEv3 and Perspective Lite systems to understand the latest National and Local data trends in education performance.

Target audience: All users of LIAISEv3 and Perspective Lite. You may attend both events.
