

*"Choosing to use Take One Book has been one of the best decisions we have made as a trust. Our children are not only enjoying the well selected texts but also the rich discussion and deep thinking the programme brings to the lessons."*

**Keri Edge, Executive Headteacher, Agate Momentum Trust**

TAKE ONE  
BOOK**

# Literacy through Literature

*You are cordially invited to a free information event*

Hosted by Just Imagine's Director, **Nikki Gamble**, Tuesday 17th March, Griffydam Primary School, 37A Top Road, Griffydam, Coalville LE67 8HU

**Nikki will be presenting** Just Imagine's Take One Book resource, which uses high quality literature to teach reading and literacy. Based on research undertaken for the London School's Excellence Fund, and further tested and refined in schools across the UK, the teaching sequences orchestrate the skills needed for comprehension, fluency and vocabulary development.

The sequences are accompanied by a set of downloadable resources, thus freeing teachers to spend time thinking about teaching, rather than preparing materials. The pedagogy is both effective and engaging for learners, being underpinned by the principles of dialogic teaching.

*"Take One Book has been great at increasing teacher confidence in reading. The aims are clear, thoroughly explained and the book choice, with associated activities, are engaging and developmental for children. In addition, staff get a bank of well-researched activities based in sound pedagogy to use with their students."*

**Fiona Thompson, Literacy Lead & Deputy Head, Ebor Academy**

**What will the event include?**

- An overview of the research informed pedagogic framework and exemplar material.
- An introduction to the interactive website
- Each school attending the event will receive a free copy of one of the selected texts and a sequence so they can review or trial in school without obligation.
