Curriculum Design Seminar Programme 2020/21 -The programme is designed according to research-informed principles relating not only to curriculum design, but also around what we know about effective CPD. We aim to take curriculum leaders on a journey from Why? through How? To What? with a curriculum for curriculum design that combines selected reading, discussion, key speakers, practical guidance and support for implementation and useful and ever-growing resources. Seven sessions organised in four phases over three terms.
Cost: £995 per school for all seven sessions for two people. Additional places £300. Please click here for more details and to book.

KYRA Research School - Pleased to announce that booking is now open for our series of evidence briefings:

Improving Literacy in Key Stage 2 – These sessions are suitable for all staff. They bring to life the guidance ensuring you can apply the existing recommendations and knowledge of research in your school. This will be held at Church Langton Primary School on 25th March 4:30pm – 6pm Cost: £15. Click here to book your place.
